TallyFox
Intelligent Collaboration

We waste 25% of our work day looking for existing content and knowledge

The problem

- Information in silos
- Latest revisions hard to find
- E-mail attachments hard to search
- Context often missing
- Critical documents not shared with all the right people

Discovering knowledge made easy with TallyFox – „how to"

TallyFox solution

- Easy to find experts and content
- Customized content categories
- Custom know-how taxonomy
- Cloud content sharing
- Smart MatchPro™
- Precise notifications
- Smart filters
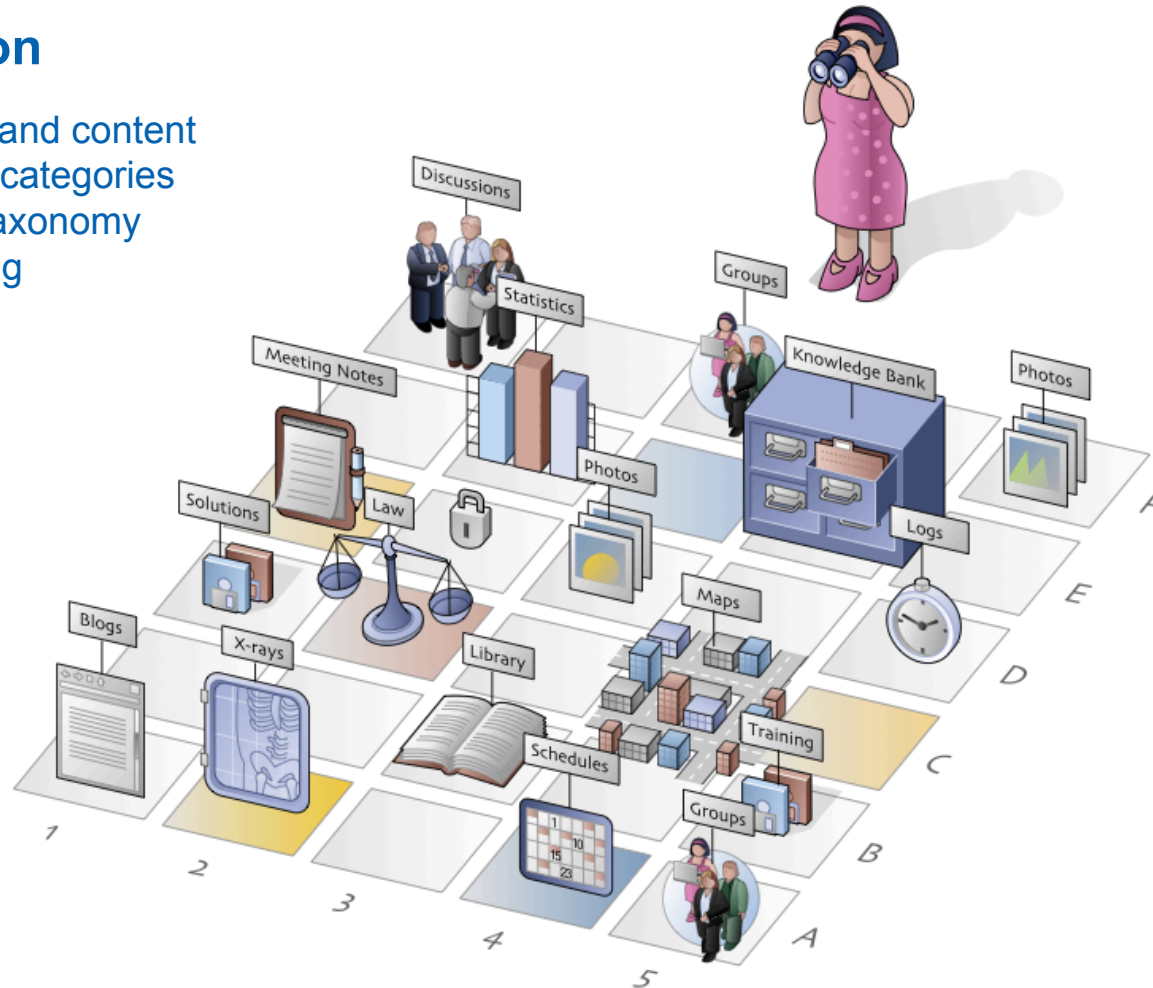

The TallyFox Knowledge ecosystem – taming complexity

Connecting and developing Know-how , it's that simple!

Utility	Benefit
Custom know-how Taxonomy	Identify people with specific expertise and content categories
